

For the support of our team we search for the next possible entrance

---

# Carpenter f/m

---

## Your tasks

- Manufacturing of Interior components like tables, voutes, haunches, cupboards, coverings, air conditioning ducts, etc. for railway vehicles.
- Multifaceted general activity in the complete production process

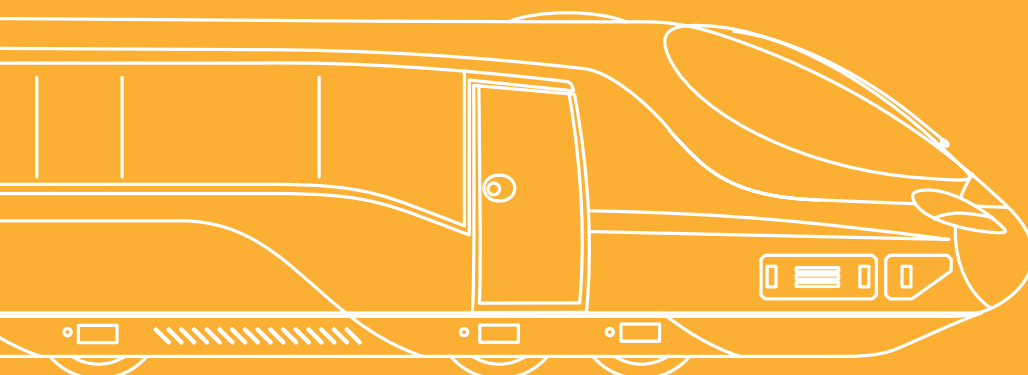

## Your skills

- Completed a successful professional training course
  - High technical understanding
  - Able to work independently, highly motivated
  - Joy in teamwork and universality work
- 

If you have questions to the application, please do not hesitate to contact Mr Klaus Egatenmaier.

Openness for new challenges and an independent operation have big importance for us – as well as joy in teamwork and motivation.

Have we woken up your interest?  
Then we are looking forward to your meaningful application documents.
